Sanitation

CURBSIDE SANITATION
Items placed at the curb should consist mainly of kitchen and bathroom garbage. When in doubt about whether or not an item can be recycled, throw it out!

Curbside recyclables must be placed in separately-designated containers. See Recycling for additional information on what can and cannot be recycled.

Questions about trash, recycling or something else? E-mail us at publicworks@millburntwp.org.

BULKY WASTE
Items that are not in a trash or recycling receptacle cannot be placed at the curb and instead may be brought to the Town Yard. See Town Yard for information on what items are accepted there.

TRASH PICK-UP
Zone 1: Monday and Thursday
Zone 2: Tuesday and Friday
Zone 3: Wednesday and Saturday
Zone 4: Monday and Thursday
Zone 5: Tuesday and Friday
Zone 6: Wednesday and Saturday

HOLIDAY SCHEDULE
Garbage (and recycling) will not be picked up on the following days:
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Christmas Day
- New Year’s Day

MISSED COLLECTIONS
To report a missed pick up, please call our trash hauler Giordano at (800) 216-2250 or the Millburn Department of Public Works at (973) 564-7060.

Please remember that all garbage and recyclables should be placed at the curb after 5:00 p.m. the night before or prior to 6:00 a.m. the day of your collection.

PRIVATIZED TRASH COLLECTION
The Township of Millburn contracts Giordano Co., Inc. for garbage and recycling collection.

Millburn is divided into six collection zones. Each zone receives twice per week garbage collection and once per week recycling collection.

All collection schedules remain the same for curbside trash and recycling. Zone information and scheduling is included in this pamphlet.

Giordano Co., Inc. may be contacted by calling (800) 216-2250.

Leaf and Vegetative

LEAF COLLECTION

Millburn's leaf collection program follows regulations set forth by the New Jersey Department of Environmental Protection, Storm Water Management. This leaf collection system functions to reduce flooding and street congestion and increase driver visibility.

Millburn’s leaf collection schedule follows the same zones for recycling and trash pickup. **Leaves are picked up three times per zone between the months of October and December.**

- Property owners should not place any leaves within 10 feet of a storm inlet.
- Be sure to leave room between the curb and leaf pile to allow for effective storm drainage during weather events.
- Leaves should not be bagged.

VEGETATIVE WASTE

Grass clippings, small quantities of leaves, small tree branches, herbaceous waste and twigs may be placed in open containers or paper biodegradable bags at the curb for collection.

Vegetative waste collection runs from March 1 through October 31 and occurs on each zone’s first trash collection day of the week.

- Containers must not exceed 30lbs
- Branches and brush must not exceed 3 feet in length and 4 inches in diameter and must be tied in bundles not to exceed 30lbs
- Twigs and branches placed in containers must not protrude beyond the container
- Residents are limited to a total of 4 containers or 4 bundles per week
- Do not place roots, stumps, logs, fence posts or lumber at the curb
- Residents may drop off at the DPW Yard year round

TREE RECYCLING

Christmas trees will be recycled during the month of January.

Place trees at the curb using the following guidelines:

- Remove all bags, garland, lights, ornaments and tree stand.
- Remove all nails and wire used to secure tree.
- If a tree bag is used, once at the curb remove bag and recycle it or place it in the garbage.
- Leave at curb. Tree will be picked up and chipped.

Wreaths can be dropped off at the Township Yard at the “Bulky Waste” area behind the DPW building.

If your tree is not picked up in an appropriate amount of time, please call (973) 564-7060 to schedule a pick up.

Please note, if you live on a county road, recycling and leaf collection will be administered by Essex County.

For more information about the Essex County Leaf Collection program, call (973) 239-3366.
