

***UPDATED (April 12)** Athletic field maintenance applications at township park athletic fields will be taking place at Taylor Park on Tuesday, April 13th and at, Gero Park, Hobart Park and Old Short Hills Park on Friday, April 16th (rain date for cancelled Monday, April 12th).

The application will consist of the following:

- Taylor Park - (Tenacity & Synatek)
- Gero Park - (Barricade & Synatek)
- Old Short Hills Park - (Tenacity & Synatek)
- Hobart Park - (Tenacity & Synatek)

The application will consist of Synatek Fertilizer (some fields with seeding and non-seeding), Tenacity Herbicide (for some fields with seeding) and Barricade Herbicide (on fields with no seeding). Please note that this is a selective treatment of herbicide products.
